# IN ARKANSAS YOU PAY \$105 TAX

## **HOW DID YOU VOTE?**

No matter how you voted, these facts on gasoline taxes are important to you:

UP 51%

IN TEN YEARS

- In Arkansas, car owners pay \$1.05 tax on every 10 gallons of gasoline they buy! • Gasoline taxes across the nation amount to
- a 50% sales tax-and that's five times as high as the tax rate on luxuries like diamonds and mink coats! • Since World War II, there have been three

increases in the Federal gasoline tax alone. This

brought the Federal tax to 4 cents a gallon, in addition to the State tax of 61/2 cents a gallon! • In the last ten years gasoline taxes have skyrocketed 51%-yet the price of gasoline itself

has risen only 5.5% during the same period!

• Fach year the average motor vehicle owner in this state pays \$93 for gasoline taxes alone., That's actually more than the average week's pay for most people!

## Politics Halt Ft. Worth Poll

FORT WORTH, Tex. (AP) -Politics at the county level killed off at the end of its second day the Fort Worth Star-Telegram's poll of absentce vote in the presidential election.

When the poll ended Friday, 131 voters had marked the Star-Telegram's ballots for the Republican ticket and 74 had picked the Democrats.

A ballot box with a Star-Telegram sticker on it was placed next to the official box in which voters dropped absentee ballots. Voters were asked to mark another ballot stating how they vote and drop it into the Star-Telegram's box.
